Welcome to Moorestown!

We would like to extend an invitation for you and your family to be guests at our pool during our WELCOME SWIMS. Attending a welcome swim is a great way for new families to connect and for children to develop friendships prior to school doors opening in September.

Sunnybrook families can try to answer questions you might have about our community! We can also provide you with information that will make your transition to town a little easier. For information and events or directions to our pool please visit our website at:

www.sunnybrookswimclub.org

We look forward to seeing you and personally welcoming your family to our community!

To pre-register for a Welcome swim - please go to:
